

# SCHAUMAN & NORDGREN ARCHITECTS IS LOOKING FOR TALENTED STUDENTS

SPRING 2022

Are you looking for an ambitious and diverse experience within the fields of architecture and urban planning? Schauman & Nordgren Architects is looking for engaged and talented architecture students to join their team both in Copenhagen and Helsinki.

**The position:**

We offer you the opportunity to be involved in a Nordic architecture studio. You will have the opportunity to work with a diverse set of projects both in Denmark, Finland and Sweden. You will be part of a challenging and stimulating

working environment and interesting assignments in a vast variety of scales and phases, from initial sketches to project execution.

We are looking for architecture students who work well in teams, take initiative, feel responsibility, and are curious to learn more.

**Required working tools and skills:**

- ArchiCad and Rhino 3D
- Adobe Creative Suite
- Model building / hand sketching
- Good graphical skills
- Bonus: you speak any of the Nordic languages

**Details:**

- The internship is minimum 6 months; one semester and starts in January 2021.
- You can apply to either SNA Copenhagen or SNA Helsinki. Please state which location you apply to.
